5 January 1951

Dr. A. Whitney Crissold President Yale University New Havon, Connecticut

Dear Dr. Griswolds

I am most grateful to you for your letter of 29 leaember in regard to therman Kent, toceptance of a position in this Agency involved great difficulty and secrifice on his part and I should not have pressed him to do se if he had not been urgently needed in a critical time. You can be assured that I shall permit him, insofar as possible, to maintain contact with his family and to return to few Haven at regular intervals.

Many thanks again to you and to the fellows of the corporation of Tale College for grating ir. Kent a leave of beares to serve with me.

Sincercly.
